--------	---------------

Membership in Professional Organizations:

Present: Structural Engineers Association of Southern California (SEAOSC), WCAPT
Past: Structural Engineers Association of Arizona (SEAOC), International Concrete Repair Institute (ICRI)

Experience with WCAPT and other Preservation Organizations:

I learned of APT as a student and I actually found my first job through a job listing on APT! Once I was working in Arizona I attended the WCAPT annual meeting in Phoenix and have been fortunate to attend multiple events since moving to California a year ago. In addition to WCAPT, I like to attend other heritage and preservation events and tours when I can including events/tours with Long Beach Heritage and Santa Monica Conservancy.

Other Information:

Vision Statement for WCAPT:

To share preservation technology knowledge among preservation professionals and students as well as educating others in related industries and the public on our role in the built environment through hands on workshops, tours and social events.
